

ÇUKUROVA UNIVERSITY 2023 - 2024 FALL TERM INTERNATIONAL STUDENT QUOTAS

Programs	Quotas		Conditions	Annual Tuition Fee
	Master Degree	PhD		
INSTITUTE OF NATURAL AND APPLIED SCIENCES				
Astronomy and Astrophysics (Turkish)	2	-	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Horticulture (Turkish)	1	-	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Computer Engineering (English)	-	1	At least 60 YDS/YÖKDİL English points in master's and doctoral applications. Having been graduated from the relevant departments of the faculties.	₺12.300,00
Plant Protection (Turkish)	8	5	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Biology (Turkish)	1	-	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Biotechnology (Turkish)	10	11	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Biotechnology (English)	6	7	At least 60 YDS/YÖKDİL English score in master's and doctoral applications. Having been graduated from the relevant departments of the faculties.	₺12.300,00

Environmental Engineering (Turkish)	6	4	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Tissue Engineering (Turkish)	4	-	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Electrical-Electronics Engineering (English)	12	6	At least 60 YDS/YÖKDİL English score in master's and doctoral applications. Having been graduated from the relevant departments of the faculties.	₺12.300,00
Industrial Engineering (Turkish)	2	2	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Energy and Energy Systems (English)	-	3	At least 60 YDS/YÖKDİL English score in master's and doctoral applications. Having been graduated from the relevant departments of the faculties. At least 85 points in ALES and having a GPA of at least 3 for the applications based on bachelor's degree.	₺12.300,00
Physics (Turkish)	5	5	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Food Engineering (Turkish)	10	4	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Advanced Materials and Nanotechnology (English)	-	2	At least 60 YDS/YÖKDİL English score in master's and doctoral applications. Having been graduated from the relevant departments of the faculties. At least 85 points in ALES and having a GPA of at least 3 for the applications based on bachelor's degree.	₺12.300,00

Civil Engineerin (Turkish)	4	-	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Statistics (Turkish)	9	6	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Geological Engineering (Turkish)	4	2	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Chemistry (Turkish)	3	-	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Mining Engineering (Turkish)	10	4	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Mechanical Engineering (English)	2	1	At least 60 YDS/YÖKDİL English points in master's and doctoral applications. Having been graduated from the relevant departments of the faculties.	₺12.300,00
Mathematics (Turkish)	1	1	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Fishery and Fish Processing Technology (Turkish)	3	3	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Fisheries Basic Science (Turkish)	5	5	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Fisheries Aquaculture (Turkish)	4	4	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00

Sustainable Agriculture and Food Safety (English)	-	3	At least 60 YDS/YÖKDİL English score in master's and doctoral applications. Having been graduated from the relevant departments of the faculties.	₺12.300,00
Agricultural Economy (Turkish)	2	2	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Agricultural Machinery and Technologies Engineering (Turkish)	2	2	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Agricultural Structure and Irrigation (Turkish)	5	5	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Field Crops (Turkish)	3	2	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Soil Sciences and Plant Nutrition (Turkish)	3	1	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Remote Sensing and Geographic Information Systems Department	1	1	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Animal Science (Turkish)	5	2	At least 55 YDS/YÖKDİL English/French/German score for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Occupational Safety (Non-Thesis) (Evening Education) (Turkish)	10	-	-	₺12.000,00
Biophysics (Turkish)	3	1	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00

Biostatistics (Turkish)	2	2	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Child Health and Diseases (Turkish) (Pediatric Oncology program)	1	-	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Midwifery (Turkish)	2	2	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Nursery (Turkish)	2	2	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Medical Biochemistry (Turkish)	1	-	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Translational Medicine (English)	2	2	At least 80 YDS/YÖKDİL English points in master's and doctoral applications. Having been graduated from the relevant departments of the faculties.	₺12.300,00
Business Administration (Turkish)	5	-	YDS/YÖKDİL English/German/French score of at least 50 for master applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Accounting (Turkish)	-	2	YDS/YÖKDİL English/German/French score of at least 50 for master applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00

Management and Organization (Turkish)	1	1	YDS/YÖKDİL English/German/French score of at least 50 for master applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Economy (Turkish)	2	2	YDS/YÖKDİL English/German/French score of at least 50 for master applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Economy (Non-Thesis) (Evening Education) (Turkish)	5	-	-	₺16.500,00
Public Finance (Turkish)	5	2	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
German Language Teaching	4	2	At least YDS/YÖKDİL German score of at least 70 for master's and doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
English Language Teaching	2	2	At least YDS/YÖKDİL German score of at least 90 for master's and doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Basic Islamic Sciences (Turkish)	4	1	At least YDS/YÖKDİL Arabic score of at least 70 for master's and doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Pre-School Teaching (Turkish)	1	1	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Radio, Television and Cinema (Turkish)	2	-	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00

Radio, Television and Cinema (Turkish) (Non-Thesis)	2	-	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺12.000,00
Music (Turkish)	9	-	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Arts and Crafts (Turkish)	-	1	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
International Relations	2	-	YDS/YÖKDİL English/German/French score of at least 50 for master's applications and at least 55 for doctoral applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
Private Law (Evening Edu.) Non-Thesis	2	-	-	₺24.000,00
Islamic History and Arts (Turkish)	8	-	YDS/YÖKDİL English/German/French score of at least 50 for master's applications. Having been graduated from the relevant departments of the faculties.	₺8.200,00
